

Contact your Group Leader and Tour Leader immediately. Have a copy of the prescription and/or drug name so to facilitate replacement.

Call your Group Leader and Tour Leader, from your cell phone if traveling, and from your room phone if in hotel.

The following emergency contacts are to be used:

Public Emergency: **112**

State police: **113**

Fire Department: **115**

Emergency Medical: **118**

Infancy Medical Response (only from land line phones) **114**

Emergency at Sea, Coast guard: **1530**

You are reminded to stay with your group and not go off unattended.

Your “free time” entails spending time in small groups. However, should you become separated, immediately use your sell phone to contact your Group Leader or Tour Leader.

You will need to give the exact street name and building number of your location and some reference point closest to you.

DO NOT move from your location so that you may be reached as quickly as possible. REMEMBER, if you need to ask directions or information, refer ONLY to a police officer or public service official.
